Melanie Rademacher

Designer: Melanie Rademacher. Company: Mena Interiors Ltd, London. Established in May 2003, Mena Interiors has rapidly grown into a dynamic and successful interior design studio. Work is predominantly high end residential, both new build and refurbishment, tailor-made for each client. Recent projects include a converted school house in London, transforming the space into residential use whilst incorporating the owner's extensive art collection. Melanie's design aesthetic is inspired by her client's lifestyle and taste, its success is measured by how it complements the client's everyday life.
